

# St Cuthbert's Catholic Primary School Monthly Sports Newsletter June 2016

Welcome to this month's edition of  
St Cuthbert's Sports newsletter.

Happy reading!

Mr Taylor

### Sainsbury's Active Kids 2016

We have placed the order for sports and cookery products. The children will have a new blender to use, a mini cooker and some more woks for them to serve up some delicious food.

I have ordered a variety of sports equipment for the children to use during lunchtimes and clubs for all year groups. Thank you again for supporting us with this scheme.

### Sportsman and Sportswoman of the month

Congratulations to both Theo and Isabella from year 3 and year 4 respectively, who have won the Sportsman and Sportswoman of the month awards for June.

Theo has had a great month (and year I might add) and thoroughly deserves to win this award. He is a pleasure to teach as he is a good listener and is keen to learn and be successful. He always gives 100% in lessons and clubs. Isabella quietly gets on with that is asked of her. She always try's her best and even when she may not be successful she keeps on going. A lovely well natured girl who is a pleasure to teach. Well done.

### Year 5 Rounder's Tournament

Sadly this event had to be cancelled due to bad weather. I have attempted to get it rescheduled, but with it being so close to the end of term it is not possible. Sorry to the children who were chosen. A special mention to Amelia from year 4, who had been selected for this event, a great achievement bearing in mind it was a year 5 tournament.

### **Run to Rio**

As you will now from the weekly newsletter we have reached Rio. Well done to all the children and teachers for their efforts on achieving the goal of 5,700 miles.

I know that both children and teaching staff have really enjoyed this experience (the weather has certainly helped) it has been lovely watching the children socialise with one another and sometimes with other classes when more than one class have been on the field at the same time.

It has benefited the children not only socially, but also with their fitness and health and well being.

Well done to you all for your efforts.

### **Sports Camps**

Just to say that all children who have applied for a places (s) on the summer holiday sports camps, Monday July 25<sup>th</sup> and Tuesday July 26<sup>th</sup> have secured a place.

### **House Tennis Tournament**

Our children in years 3-6 have been enjoying the House tennis tournament this month.

There have been a few shocks along the way, in this knockout tournament.

We are into round 2 of the event.

I will confirm the winners in the final sports newsletter of the year in July.

### **Sports Kits**

Can you please ensure your child returns any sports kit they may still have at home by the end of term.

Thank you.

### Orienteering

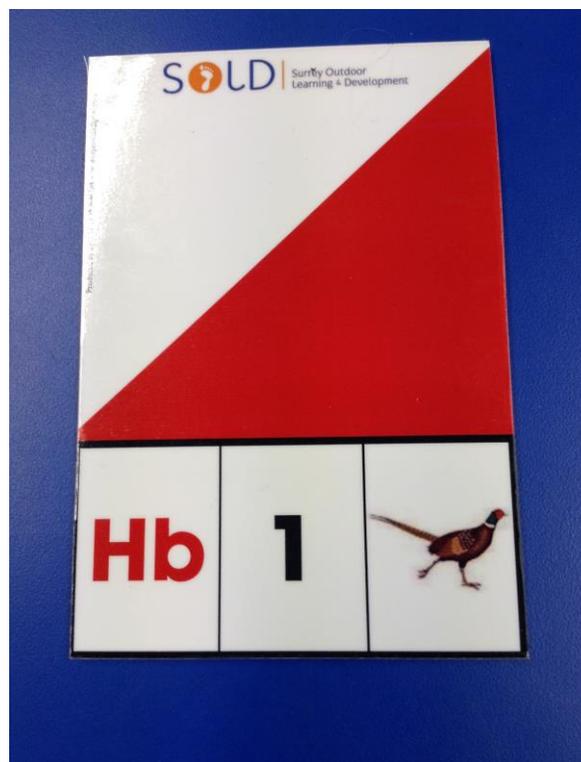

We have spent some of this year's Sports premium money on an orienteering course.

We have used SOLD, Surrey Outdoor Learning Development, who have come in and taken photos of our school grounds and have designed a map for us.

There will be cards situated around the school grounds, each card will have a number on it, 2 letters and an animal, for the children to try and locate.

All children will benefit from this as I will be rolling this out to all classes from September 2016.

Class teachers will also be able to access this within their lessons.

### **District Sports – WINNERS!**

For the second year running the children of St Cuthbert's have won District Sports.

35 children represented the school at the event in Walton this month.

11 schools participated on the day.

We had a total of 15 1st places, 7 2nd places and 5 3rd place finishes, which is an incredible achievement.

It was the 600m runners that was the highlight for me, with all 6 children who participated coming in the top 3 in each of their races, with some excellent determination, decision making and stamina. I am not going to single any children out, as every single one of you played your part in making it a fantastic afternoon.

Results were as follows

**Year 3 – 2<sup>nd</sup>**

**Year 4 – 1<sup>st</sup>**

**Year 5 – 1<sup>st</sup>**

**Year 6 – 1<sup>st</sup>**

**Overall winners**

We returned to school with 4 shields out of a possible 5.

An amazing achievement from all the children, we are all so proud of you.

Certificates and shields will be presented to the children in due course.

### Sports Day

Well done to all our children for making our Sports Day such a huge success.

Your effort, determination, enjoyment and sportsmanship was superb throughout the day.

St Patrick's House dominated the day, I am wondering if they had training sessions outside of school before the event!

Winners on the day were:

Reception Class: **St David's** Years 1, 2 & 3: **St Patrick's** Years 4, 5 & 6: **St Patrick's**

Overall winners **St Patrick's**

Thank you to the year 3 and year 6 children who helped me out on the day.

Thank you also to all the parents and family members for supporting the children throughout the day.
