

St. Cuthbert's Vision To enable every child to fulfill their potential

Notes

At St Cuthbert's our vision is to enable every child to fulfill their potential

Our children are at the heart of our school. Learning and playing together in friendship, they are surrounded by the support of Staff, Parents, Governors and the wider parish and community.

At St Cuthbert's we strive to deepen our **Faith** – living and learning as Jesus taught us, with love and forgiveness in our hearts. We believe **Values** are important - in particular learning Respect for ourselves, for each other and our world. We encourage us to Support each other.

We seek to inspire our children with a **Creative Curriculum**, where as well as a sound foundation in the core skills of reading, writing, numeracy and ICT we bring all subjects to life so our children Discover, Explore and Create. At the same time, our children have the opportunity to develop at sport, and understand the importance of good health and wellbeing.

Finally, we want our children to develop a **Love of Learning** that will serve them for life – being curious, learning to challenge, learning from mistakes and learning to try again.
